RESEARCH BULLETIN

The Institute started publication of the 'Research Bulletin' since 1982. It has now been included in the International Serial Directories [ISSN 2230 9241]. It includes both theme based and non theme based articles on the blazing issues. Inputs are mainly received both from academicians and the corporate stalwarts. Our aim is to highlight the dynamism in environmental, social, economical and market-related issues so that the researcher can analyze the surroundings, adapt the changes in a better manner and can take decisions strategically.

The objective of this bulletin is to share innovative achievements and practical experiences from diverse domains of management, from researchers, practitioners, academicians and professionals. This bulletin is dedicated to publish high quality research papers providing meaningful insights into the management content both in Indian as well as global context.

Examples of emerging research areas covered in different issues of Research Bulletin :

- Environmental Accounting & Audit
- Infrastructure development & Management
- Capital Markets in India
- MSME
- Community Audit
- Social Entrepreneurship
- Financial Inclusion
- National Food Security
- Innovation Economy
- Skill Development for Professionals
- Performance Management

Key Features of Research Bulletin :
